
Assignment-01 Task

- Please include a copy of the assessment task where relevant (relevant here refers to cases where this task will be needed in order for the UOW Quality Assurer to be able to review the marks awarded) <

Assignment: Annotated Bibliography document

Assignment value: **10% of the subject assessment.**

Marks available: **100 marks.**

DIRECTIONS TO CANDIDATES

In this assignment, you will write an “Annotated Bibliography” document. More details of your Annotated Bibliography document is given below.

You should create it using the LaTeX text-formatter, and produce a final document in pdf format. You need to submit both the .pdf and .tex versions of your document.

You need to select a topic around "AI" or “AI in Education”, and give an introduction of your topic.

The selected topic can be also related to the content of your graduation thesis. (approximate length: 1-2 paragraphs)

Describe the reason why you select the topic, and why it is worth researching. (approximate length: 2-3 short paragraphs)

Finally, provide the annotations for 5 related literatures in the field of your topic. (approximate length: 5 paragraphs in total, 1 per reference)

Tips: Pdf are produced from Latex. you need to submit the .pdf and .tex
